GERARD LOUNGE

A HIDDEN GEM IN THE HEART OF THE CITY

Considered one of the most iconic cocktail bars in the city, the storied Gerard Lounge sits nestled in the south-west corner of Boulevard Kitchen & Oyster Bar. A fixture at the Sutton Place Hotel for over 30 years, Gerard has withstood the changing of the guard and still retains much of its original decor as well as the charms of a bygone era. The lounge – an institution during the heyday of the film and entertainment industry in Vancouver – still remains a popular choice for visiting celebrities and VIPs.

The lounge's interior is reminiscent of an English club, featuring leather chairs, a cozy fireplace and stunning Violin wood-panelled walls throughout. Coupled with an outstanding cocktail program as well as the full range of Boulevard's menu offerings, it offers a one-of-a-kind guest experience unique to Vancouver. Gerard Lounge is a truly special choice for your next private function.
